 - B. Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members.
10. Members holding shares in physical form are requested to advise any change of address immediately to the Company's Share Registrars and Transfer Agents. Members holding shares in electronic form must send the advice about change in address to their respective Depository Participant only and not to the Company or the Company's Share Registrars and Transfer Agents.
11. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form to eliminate risks associated with physical shares and for ease in portfolio management. Members can contact the Company's Share Registrars and Transfer Agents for assistance in this regard.
12. **Nomination Facility:**

As per the provisions of Section 72 of the Companies Act, 2013, facility for making nomination is available for the Members in respect of the shares held by them. Members holding shares in single name and who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to cancel the earlier nomination and record fresh nomination, he may submit the same in Form No. SH-14. Both Forms are appended at the end of the Annual Report. Members holding shares in physical form are requested to submit the forms to the Company's Share Registrars and Transfer Agents. Members holding shares in electronic form may obtain Nomination forms from their respective Depository Participant. Form No. SH-13 & SH-14 are also available on the web-site of the Company i.e. www.orientrefractories.com.
13. **Unclaimed Dividends:**
 - A. Members wishing to claim dividends, which remain unclaimed, are requested to correspond with Mr. Sanjay Kumar, Company Secretary, at the Company's registered office. Members are requested to note that dividends not claimed within seven years from the date of transfer to the Company's unpaid dividend account, will, as per Section 124 of the Companies Act, 2013, be transferred to the Investor Education and Protection Fund.
 - B. Details of Unclaimed Dividend on Website:

In order to help Members to ascertain the status of Unclaimed Dividends, the Company has uploaded the information in respect of Unclaimed Dividends for the financial year ended 31 March, 2012 and subsequent years on the Website of Investor Education and Protection Fund, www.iepf.gov.in and under "Investor Relations" Section on the website of the Company, www.orientrefractories.com.

14. The Securities and Exchange Board of India has mandated the submission of Permanent Account Number ('PAN') by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN details to their respective Depository Participants. Members holding shares in physical form are requested to submit their PAN details to the Company or its Share Registrars and Transfer Agents.
15. **Updation of Members' Details:**
The format of the Register of Members prescribed by the Ministry of Corporate Affairs under the Companies Act, 2013 requires the Company/ Share Registrars and Transfer Agents to record additional details of Members, including their PAN details, email address, bank details for payment of dividend, etc. A form for capturing the additional details is appended at the end of this Annual Report. Members holding shares in physical form are requested to submit the filled in form to the Company or its Share Registrars and Transfer Agents. Members holding shares in electronic form are requested to submit the details to their respective Depository Participants.
16. Electronic copy of the Annual Report for 2016-17 is being sent to all Members whose email addresses are registered with the Company/ Depository Participants for communication purposes, unless any Member has requested for a hard copy of the same. For Members who have not registered their email addresses, physical copies of the Annual Report for 2016-17 are being sent in the permitted mode.

ANNEXURE A**MANAGEMENT DISCUSSION AND ANALYSIS****GENERAL REVIEW**

Orient Refractories Ltd. (ORL) is in the business of Manufacturing and Marketing Special Refractory Products, Systems and Services to the Steel Industry with Global Presence. ORL is market leader for Special Refractories in India and has many Global partners for its international quality products. ORL produces more than 40,000 tons of refractory per annum customized products and system solutions. Refractory material is used to provide thermal insulating lining in Furnaces, Kilns, Reactors, etc. The refractory material is mainly used in Iron & Steel industry, Metal Smelters, Cement, Glass Industries, etc.

Demand of refractory product is primary driven by the growing prosperity, the level of industrial production and infrastructure projects. The growth of refractory industry primarily depends on the growth of Iron & Steel Industry. Refractory products are crucial for the quality of the products and safety of the manufacturing processes at the customer end. ORL aims at maximum customer satisfaction by providing quality products for their complete refractory solution. Being a part of RHI AG Group, Austria, who is world market leader in Refractories, ORL is setting new standards through continuous improvement and innovation processes by effectively adopting the RHI experience based on decades of research and development activities. This has given ORL a leading edge over the competitors to maintain high market share in their segment of special refractories business.

ORL has continual programs for improving efficiency and effectiveness in manufacturing processes, raw material cost, energy conservation, control over working capital, to produce special refractories at low cost so as to add maximum value to the customers. The most valuable asset of ORL is the very experienced team of technical personnel and other experts, having intense knowledge of the market and products. Their innovative ideas and commitment is very important factor for securing the Company's success in the long run.

The Company's export is a fair share of its output to various overseas customers. The Company export has grown by 18.20 % during the year 2016-17. ORL products are widely accepted throughout the world because of high quality at competitive prices.

In Year 2016, ORL parent Company, RHI AG reached an agreement with controlling shareholding of another global refractory company, M/s. Magnesita, GP & Rohne. The combined Company will be able to offer ORL customers even more comprehensive range of products and services.

Business Environment**A. Global Economy**

The global growth rates of 3.1 % in 2016 fell short of the forecast to International Monetary Fund (IMF) of 3.4%. The main attributes were higher volatility in financial market, slower growth in advanced economies, recession in emerging countries like Russia and Brazil, as well as slower growth in China. The economy improved in second half of Year 2016, growth picked in US due to lower rate of unemployment and buoyant consumer demand. India has fared better than the world average in terms of growth rate, in spite of demonetization exercise and banking restrictions. IMF has projected economic activities to improve in year 2017 and 2018, with global growth projections at 3.5 % and 3.6% respectively.

The global steel sector grew by 1% on year to year basis. The market remained depressed in CIS, Middle East, Africa, and Americas. China, Japan, India, USA, Turkey and Ukraine were among ten top steel producing countries in year 2016.

B. Indian Economy

India is on continuous growth path since 2014 due to favour able Industrial policy and Government reforms which are very well executed and they helped in sustainable and strong economy growth. The lower crude oil prices have also helped to reduce current account deficit, improve fiscal position and lower inflation. These factors gave boost to Indian economy which has emerged on the World's fastest growing major economy.

Against the projected GDP of 7.9% in 2016-17, the actual GDP growth was 7.1%. This was mainly due to global low activity level and demonetization exercise in India, which was a temporary phase in third quarter. The situation has largely normalized, following the government's re-monetization process. Good monsoon has attributed to agriculture growth of 4% and the manufacturing sector growth was 5.2%. Government's effort to improve the ease of doing business and relaxation in FDI norms has yielded positive results.

India's steel production grew by 4.3% year to year basis to 97.4 million tons in Financial Year 2016-17. India was third largest steel producer in the world in 2016-17. The steel sector was impacted by low cost steel imports. India imposed Minimum Import Price (MIP) in February 2016 to curtail unfair steel imports into the country, which provided some relief to industries. Further government imposed anti-dumping duty to check overflow of steel imports at lower cost to India. However despite the remedial measures the steel industry did not see desirable upswing during the year. Poor liquidity and demonetization exercise also posed hurdle to steel growth. However, this does not negate the fact that the long term potential of the Indian Steel Industry remains bright.

INDUSTRY STRUCTURE DEVELOPMENTS, OPPORTUNITIES, THREATS, RISKS & CONCERNS AND FUTURE OUTLOOK

Indian Industry is expecting continuous growth momentum, which is driven by Government's initiatives, such as, investment in infrastructure projects, railway projects, new roads, smart city concept, Air ports in 'B' Cities etc. Government has also taken policy initiatives, such as, change in taxation rules (GST), and introduction of Bankruptcy Policy & Insolvency Act to review the industries. To attract Foreign Direct Investment, the Government has eased the process of doing business in India. The Make in India initiatives should also boost the demand for Steel in India. This will also increase refractories products demand in the domestic market. Further, lower oils prices have positive impact on foreign payments and also RBI's intervention to regulate the foreign payments has stabilized the prices.

The Steel Industry in 2017-18 is optimistic because of increase in steel demand with continuous recovery in the developing economy and growth momentum in emerging and developing countries. The US Administration is planning to spend on New Buildings, Roads, Highways, Bridges, Airports, Tunnels & Railways Lines across the countries. Some positive development from Europe because of stability in the region will also attract new investments. China, which accounts almost 50% of global steel demand is expected to remain flat due to subdued growth rate.

India expected to become the second largest steel producer in the world by 2018 based on the demand, capacity addition and new steel policy of Government of India.

Further risks to this outlook are high corporate debts and low demand in real estate market. Also the raw material price volatility may have an adverse effect on steel industry.

All these factors are monitored on continuous basis by ORL and necessary actions will be taken in time. Your directors are keeping close watch on overall economy and give input whenever required. With the positive support of RHI Ag, we see good prospects and strong competitive advantage for ORL India going ahead.

Your Directors are hopeful to sustain the same growth in year 2017-18.

FINANCIAL OF SEGMENTS

Financial of business segments are given in detail in notes to the financial statements of the annual report.

HUMAN RESOURCES

REPORT ON CORPORATE GOVERNANCE

1. COMPANY'S PHILOSOPHY ON THE CODE OF GOVERNANCE

Corporate Governance for our Company is all about maintaining a valuable relationship and trust with all stakeholders. We consider stakeholders as partners in our success, and we remain committed to maximizing stakeholders' value, be it shareholders, employees, suppliers, customers, investors, communities or policy makers. This approach to value creation emanates from our belief that sound governance system, based on relationship and trust, is integral to creating enduring value for all. We have a defined policy framework for ethical conduct of businesses. We believe that any business conduct can be ethical only when it rests on the six core values of customer value, ownership mindset, respect, integrity, one team and excellence.

Statement on Company's Philosophy on Code of Governance

Corporate Governance encompasses a set of systems and practices to ensure that the Company's affairs are being managed in a manner which ensures accountability, transparency and fairness in all transactions in the widest sense. The objective is to meet stakeholders' aspirations and societal expectations. Good governance practices stem from the dynamic culture and positive mindset of the organisation. We are committed to meet the aspirations of all our stakeholders. This is demonstrated in shareholder returns, governance processes and an entrepreneurial performance focused work environment. Additionally, our customers have benefited from high quality products delivered at extremely competitive prices. The essence of Corporate Governance lies in promoting and maintaining integrity, transparency and accountability in the management's higher echelons. The demands of Corporate Governance require professionals to raise their competence and capability levels to meet the expectations in managing the enterprise and its resources effectively with the highest standards of ethics. It has thus become crucial to foster and sustain a culture that integrates all components of good governance by carefully balancing the complex inter-relationship among the Board of Directors, Audit Committee, Finance, Compliance and Assurance Teams, Auditors and the Senior Management. Our employee satisfaction is reflected in the stability of our senior management, low attrition across various levels and substantially higher productivity.

At ORL, we believe that as we move closer towards our aspirations of being a global corporation, our Corporate Governance standards must be globally benchmarked. Therefore, we have institutionalized the right building blocks for future growth. The building blocks will ensure that we achieve our ambition in a prudent and sustainable manner. ORL not only adheres to the prescribed Corporate Governance practices as per the Listing Regulations as prescribed by SEBI, but is also committed to sound Corporate Governance principles and practices. It constantly strives to adopt emerging best practices being followed worldwide. It is our endeavor to achieve higher standards and provide oversight and guidance to the management in strategy implementation, risk management and fulfillment of stated goals and objectives.

We believe, Corporate Governance is not just a destination, but a journey to constantly improve sustainable value creation. It is an upward-moving target that we collectively strive towards achieving. Our multiple initiatives towards maintaining the highest standards of governance are detailed in the following pages.

At ORL, it is our belief that an enlightened Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance. The Board's actions and decisions are aligned with the Company's best interests. It is committed to the goal of sustainably elevating the Company's value creation.

The Company has defined guidelines and an established framework for the meetings of the Board and Board Committees. These guidelines seek to systematize the decision-making process at the meeting of the Board and Board Committees in an informed and efficient manner. The Board critically evaluates the Company's strategic direction, management policies and their effectiveness. The agenda for the Board reviews include strategic review from each of the Board Committees, a detailed analysis and review of annual strategic and operating plans and capital allocation and budgets. Additionally, the Board reviews Related Party Transactions, possible risks and risk mitigation measures and financial reports from the Chief Financial Officer. Frequent and detailed interaction sets the agenda and provides the strategic road map for the Company's future growth. The Institute of Company Secretaries of India (ICSI), one of India's premier professional bodies, has issued secretarial standards on important aspects like Board Meetings, General Meetings, Payment of Dividend, Maintenance of Registers and Records, Minutes of Meetings, Transmission of Shares and Debentures, Passing of Resolutions by Circulation, Affixing of Common Seal and Board's Report. The Company substantially adheres to these standards. Our Company is in compliance with the requirements of Corporate Governance stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations')

2. BOARD OF DIRECTORS

Composition

The Board of Directors, along with its Committees, provides leadership and guidance to the management and directs and supervises the performance of the Company, thereby enhancing stakeholder value. INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
ORIENT REFRACTORIES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **ORIENT REFRACTORIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31 March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements- Refer Note 26.1 (i) to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses - Refer Note 26.2(iii) to the financial statements.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company - Refer Note 29 to the financial statements.
 - iv. The Company has provided requisite disclosures in the financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated 8 November, 2016 of the Ministry of Finance, during the period from 8 November, 2016 to 30 December, 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management - Refer Note 28 to the financial statements.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in Annexure "B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ORIENT REFRACTORIES LIMITED** (“the Company”) as of 31 March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2017, based on “the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”

1. Corporate Information

ORIENT REFRACTORIES LIMITED ('the Company'), incorporated on 26 November, 2010 is primarily engaged in manufacturing, production and distribution of refractories, monolithics and ceramic paper and has a manufacturing facility in Bhiwadi (Rajasthan).

2. Summary of significant accounting policies

2.1 Basis of accounting and preparation of financial statement

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act 2013 ("the 2013 Act") as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/ materialise.

2.3 Inventories

Inventories are valued at the lower of cost (on first in first out basis in respect of trading goods and on weighted average basis in respect of raw materials, work in-progress and finished goods) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

2.4 Cash and cash equivalents (for purpose of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset and past history of replacement, etc.:

- i. Vehicles given to employees under the vehicle scheme - Over the period of 5 years for four wheelers and 6 years for two wheelers.
- ii. Leasehold improvements are amortised over the unexpired period of lease or estimated useful life, whichever is lower
- iii. Leasehold land is amortised over the duration of the lease i.e. 99 years.

Intangible assets are amortised over their estimated useful life on straight line method.

- Software is amortised over the estimated useful life of 5 years.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

2.7 Revenue recognition

i. Sale of goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. In case of export sales, event of transferring the significant risks and rewards of ownership of goods is decided on Inco-terms 2010. Sales include excise duty but exclude sales tax and value added tax.

ii. Income from services

Revenues from contracts priced on a time and material basis are recognised when services are rendered and related costs are incurred.

iii. Export Incentive

Export incentive under Merchandise Exports from India Scheme (MEIS) and duty drawback are accrued when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist.

iv. Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

2.8 Fixed Assets (Tangible/Intangible)

Fixed assets are carried at cost less accumulated depreciation/ amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately.

2.9 Foreign currency transactions and translations

Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts) of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

Accounting of forward contracts

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the balance sheet date. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense in the period in which such cancellation or renewal is made.

2.10 Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

Current investments are carried individually, at the lower of cost and fair value. Cost of investments includes acquisition charges such as brokerage, fees and duties.

2.11 Employee benefits

Employee benefits include provident fund, employees' state insurance scheme, gratuity fund, national pension scheme and compensated absences.

Defined contribution plans

The Company's contribution to provident fund, national pension scheme and employees' state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled

Payments made under voluntary retirement scheme are charged to the Statement of Profit and Loss account in the year of occurrence.

2.12 Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction /development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

2.13 Segment reporting

i. Business Segments

The Company identifies primary segments based on the dominant source, nature of risks and turns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

ii. Geographic Segments:

Secondary segmental reporting is performed on the basis of the geographical location of customers. i.e. within India and Outside India.

2.14 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

2.15 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.16 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences to the extent

that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

2.17 Impairment of assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

2.18 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate of the expenditure required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote. Contingent assets are not recognised in the financial statements.

2.19 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.20 Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

2.21 Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

27.1 Pursuant to the scheme of arrangement between Orient Abrasives Limited (transferor company) and the Company, the refractory business of the transferor company carried out at its manufacturing unit at Bhiwadi (demerged undertaking), was transferred to the Company with effect from 1 April, 2011 (the appointed date). The said scheme under Section 391 to 394 of the Companies Act, 1956 was approved by the Hon'ble High Court of Delhi vide its order dated 19 September, 2011 and has been effective from 31 October, 2011 ("the effective date"), i.e. date of filing the above order with the Registrar of Companies.

The said scheme provides, inter alia, the transfer of demerged undertaking on a going concern basis to the Company in consideration of which, each shareholder of Orient Abrasives Limited whose name appeared in the register of members of Orient Abrasives Limited on the record date i.e. 14 November, 2011, received one fully paid equity share of face value of Re.1 each in the Company.

The scheme provided for its basis of transfer of certain specific assets and liabilities and where not specifically provided in the scheme, it authorized the 'Board of Directors' of both the companies to mutually decide through a resolution. In terms of above, the following was done in the financial year 2011-12:

- i. The book value of assets, liabilities, reserves and surplus (as agreed) of the demerged undertaking as on the appointed date was accounted for as assets and liabilities and reserves in the books of the Company as on the appointed date. Following is the amount of such assets, liabilities and reserves:

(Amount in Rs. Lacs)

Reserves and surplus	4,637.56
Secured loans	3,400.00
Deferred tax liability (net)	118.89
Fixed assets including intangibles (net block)	1,882.80

Cash and bank balances	48.67
Other current assets	356.25
Loans and advances	248.57
Current liabilities	3,106.52
Provisions	103.47

- ii. Loans as identified for the demerged undertaking and transferred from Orient Abrasives Limited were recorded in the books. Later on, the Company obtained its own credit facility and loans transferred from the transferor company were repaid.
- iii. Aggregate face value of the new equity shares (1,196.39 lacs shares of Re. 1 each amounting to Rs.1,196.39 lacs) were issued by the Company to the members of the transferor company and was credited to the share capital account on the appointed date. The Company in its board meeting dated 15 November, 2011 allotted these shares. In view of the allotment of shares, the transferor Company ceased to be the holding company of the Company.
- iv. The employees of the demerged undertaking were transferred to the Company on their existing terms of employment with the transferor Company.
- v. All contingent liabilities relating to demerged undertaking were transferred to the Company on the appointed date.
- vi. Deferred tax liability (net) pertaining to the demerged undertaking and as agreed by the Board of Directors were transferred to the Company.

The transferor company was carrying on business of demerged undertaking in trust on behalf of the Company for the period from the appointed date till the effective date.

27.2 Employee benefit plans

i. Defined contribution plans

The Company makes Provident Fund, National Pension Scheme and Employees' State Insurance contributions which are defined contribution plans for qualifying employees. Under the schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognized Rs.180.17 lacs (31 March, 2016: Rs.162.41lacs) for Provident Fund, Rs. 25.75 lacs (31 March, 2016: Rs. 20.58 lacs) for National Pension Scheme and Rs. 12.72 lacs (31 March, 2016: Rs. 14.82 lacs) for Employees' State Insurance contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

ii. Defined benefit plans

The Company offers employee benefit schemes of Gratuity to its employees. Benefits payable to all employees of the Company with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the balance sheet date.

The following table sets out the funded status of defined benefit schemes and the amount recognised in the financial statements:

27.3 Segment information

Business Segments:

The Company is primarily engaged in the business of manufacturing and selling of refractories and monolithics. The entire operations are governed by the same set of risk and returns and, hence, the same has been considered as representing a single primary segment.

Since the Company's business activity falls within a single business segment, there are no additional disclosures to be provided under Accounting Standard-17 'Segment Reporting' other than those already provided in the financial statements.

Geographical Segments:

The analysis of geographical segment is based on the geographical location of the customers. The Company operates primarily in India and has presence in international markets as well. Its business is accordingly aligned geographically, catering to two markets i.e. India and Outside India. For customers located outside India, the Company has assessed that they carry same risk and rewards. The Company has considered domestic and exports markets as geographical segments and accordingly disclosed these as separate segments. The geographical segments considered for disclosure are as follows:

- Sales within India include sales to customers located within India.
- Sales outside India include sales to customers located outside India.

Secondary Segment Reporting (by Geographical Segments)

The following is the distribution of the Company's total revenue of operations by geographical market, regardless of where the goods were produced:

Particulars	Year ended 31 March 2017	Year ended 31 March 2016
Within India	41,287.00	36,876.63
Outside India	10,651.77	9,011.70
	51,938.77	45,888.33

(Amount in Rs. Lacs)

The following table shows the carrying amount of trade receivables by geographical segments:

Particulars	As at 31 March 2017	As at 31 March 2016
Within India	9,427.46	9,832.17
Outside India	1,971.24	2,018.00
	11,398.70	11,850.17

All other assets (other than trade receivables) used in the Company's business are located in India and are used to cater to both the categories of customers (within India and outside India), accordingly the total cost incurred during the year to acquire tangible and intangible fixed assets has not been disclosed.
