Sub: Corrigendum to Press Release for second quarter and half year ended 30 September 2025

Dear Sir/ Madam,

This is to kindly inform you that in the Company's intimation dated 10 November 2025 regarding the press release for the second quarter and half year ended 30 September 2025, a clerical error occurred. The document incorrectly stated "audited consolidated financial results" for the second quarter ended September 30, 2025, instead of "unaudited consolidated financial results."

Please find enclosed the revised intimation for your reference. Apart from the correction mentioned above, there are no other changes to the original intimation.

We further confirm that this was an unintentional clerical error and not a deliberate act.

The above information is for your records and required dissemination.

Thanking you,

Yours faithfully

For **RHI Magnesita India Limited**

Sanjay Kumar

Media Release

RHI Magnesita India Achieves Record Performance of ₹1,035 Crore in Revenue in Q2 FY26

Gurugram, November 10, 2025: RHI Magnesita India Limited, the leading manufacturer and supplier of high-grade refractory products, systems and solutions, has reported unaudited consolidated financial results for the second quarter ended September 30, 2025 (Q2 FY26).

Commenting on the results, **Parmod Sagar – Chairman, MD & CEO of RHI Magnesita India Ltd.** said,

“We are pleased to report the highest quarterly turnover in our history with revenue crossing ₹1,000 crore once again. Our market position continues to strengthen with a strong uptick across all segments, underlining the trust that customers have placed in us. This milestone is another testament to our strong execution and business fundamentals even as we navigate persistent market challenges, including input cost pressures. Our Iron making segment along with 4PRO solutions model are delivering consistent value, and we are confident of our growth momentum and long-term value creation for our stakeholders focusing on profitable and value led growth.”

Key Financial Highlights:

- **Revenue from operations at ₹1,035 crore (+8% QoQ)**
- **Shipment Volumes at 141 KT (+9% QoQ)**
- **EBITDA at ₹111 crore (+7% QoQ)**
- **PAT at ₹38 crore (+9% QoQ)**

About RHI Magnesita India Ltd.

RHI Magnesita India Ltd. is the leading manufacturer and supplier of high-grade refractory products, systems and solutions which are critical for high-temperature processes exceeding 1,200°C in a wide range of industries, including steel, cement, non-ferrous metals and glass. This includes Magnesia and Alumina-based bricks and mixes for large industrial customers as well as specialty refractory products like Isostatic products and Slide Gates. With a 6,000+ strong skilled workforce in 8 state-of-the-art manufacturing plants, 3 main offices, 30 site offices across the country and a world-class R&D centre at Bhiwadi, RHI Magnesita India serves customers both domestically and around the globe. The Company is listed with BSE: 534076 and NSE: RHIM; Website: www.rhimagnesitaindia.com
